

Dear mr.Günter Titsch!

I want to express you the sincere gratitude for the invitation me as the member of the International jury on the **9th WORLD CHOIR GAMES**.

I am ready to take part in this work from July 6 to July 16, and I hope to justify the high trust put in me.

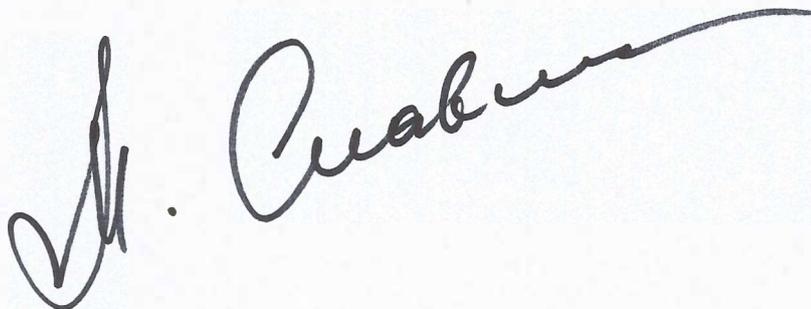

Ours more than 20-year creative friendship with you and INTERKULTUR is very dear to me and is priority for my creativity.

Very much I hope that the **9th WORLD CHOIR GAMES** will pass at the highest level and will become a major landmark in the history of the World choral movement at the head of which you stand from the date of INTERKULTURA basis.

Heartily I wish you all success and wellbeing.

With sincere respect.
